FOR CONSIDERATION

December 7, 2021

TO: Paul Annunziato, Adam Barsky

FROM: Evan Cohen

SUBJECT: Director Self Evaluation Forms

REQUEST FOR: Readoption of Self Evaluation Form for NIFA Directors and the Taking of Related Actions.

Background:

The 2009 Public Authorities Reform Act requires that the board of every state and local public authority conduct an annual evaluation of its performance. Board member comments are protected from disclosure under Article 6 of Public Officers Law, but the results of the assessment are to be provided to the Authority Budget Office.

Discussion:

Board members of State authorities must be committed to the highest standards of corporate governance. NIFA's Directors (the "Board") must hold itself accountable to the mission of the authority and the public interest.

The annual assessment is a reminder to each Board member of his or her duties, why those responsibilities are important, and whether they are performing those duties appropriately. The evaluation provides an opportunity for Board members to measure their individual and collective effectiveness, determine if they are following their own policies and procedures, identify areas for Board improvement, and to compare how their evaluation of the Board's performance compares to that of other board members.

The evaluation should be conducted confidentially with the results compiled by the Chairman of the Governance Committee, who will then forward them to the Authority Budget Office. The Board's discussion of its performance can be conducted in private

To the extent that the results of this evaluation demonstrate the need for the Board to improve its performance, amend its practices or procedures, or clarify its expectations of Board members, the Board is expected to implement suitable corrective actions.

On April 20, 2011, the Directors adopted a model board evaluation tool, which was developed by the Authorities Budget Office. This evaluation, which was most recently readopted on November 24, 2020, is attached to these materials and should be completed by each Director and returned to the Chairman of the Governance Committee.

Requested Action:

Readopt the model board evaluation attached to these materials and distribute to the entire Board and request that it be completed and returned to the Governance Committee.
