

NIFA SELECTS CONSULTANT TO REVIEW COUNTY COST CENTERS

Mineola, NY – June 16, 2011 – NIFA has selected a consultant to strategically review the County’s finances and operations and subsequently make suggestions to help the County achieve structural balance. The consultant, Grant Thornton LLP, is nationally recognized for work in this area and was selected from among eight firms that competed for the assignment. This effort, which is not an “audit,” will focus on improving the County’s operating results.

NIFA hopes to complete its initial review in time to make suggestions that will assist the County in its effort to balance the budget for fiscal year 2012. “NIFA looks forward to working collaboratively with the County on this project and will continue to pursue all other avenues that would help the County to live within its means,” said Ronald A. Stack, NIFA Board Chairman.
