I. Overview

Nassau County Interim Finance Authority (“NIFA or the “Authority”) is soliciting offers for underwriting proposals for a potential refunding of certain outstanding bonds of the Authority (the “Refunding Bonds”). This Solicitation for Offers (the “SFO”) seeks to provide NIFA with a fair and competitive process for the selection of underwriters and seeks responses from qualified firms to serve as senior managing underwriter and co-managers (if deemed necessary) for this transaction. The Authority reserves the right to select a team of underwriters from those firms submitting proposals in accordance with this SFO. From the respondents to this SFO, senior managing underwriter and co-managers (if deemed necessary) will be selected.

Questions regarding this RFP must be sent (only in writing via e-mail) to Jeremy.Wise@nifa.ny.gov on or before June 19, 2015. Responses to any questions, which are deemed material to this RFP, will be posted on NIFA’s web site under the section containing this RFP. No other communication of questions and answers will be made. All respondents are responsible for consulting the NIFA website before submission of their proposal to see if there is additional information relevant to this process.

II. Background Information

For background information on NIFA and its outstanding bond issues, please refer to the Authority’s website at www.nifa.state.ny.us.

III. Objective

The purpose of accepting an offer to underwrite an issue to refund certain maturities of outstanding bonds is to secure debt service savings and accomplish the refunding as efficiently as possible to obtain the lowest possible interest rates and achieve the highest level of debt service savings on an aggregate basis.

IV. Proposal Restriction

While innovative approaches are welcome, NIFA wishes to accomplish this refunding as efficiently as possible; therefore, the Authority will not consider any proposal that contains an undertaking to use financial hedges or derivative products simultaneously with the issuance of the Refunding Bonds.

V. Refunding Bond Team

The senior managing underwriter and co-managers (if deemed necessary) chosen on the basis of their respective offers in response to this SFO will be employed by the Authority and will act on

behalf of the Authority in all matters undertaken in connection with the Refunding Bonds. The successful offerors will report directly to NIFA. No joint proposals will be allowed.

The participant's duties in the underwriting syndicate are expected to be substantially as follows:

Senior Manager: book runner; leader of the underwriting syndicate; pricing coordinator; responsible for marketing of the issue; structuring the financing; investor liaison; and all related conventional roles for senior manager.

Co-Manager (if deemed necessary): assist in the marketing of the Refunding Bonds.

Firms responding for senior manager positions will be assumed to also be proposing for the co-manager positions.

VI. Scope of Services

The Underwriter must provide the following services in connection with the Refunding:

- A. Assist in development of a structure for refunding bonds which maximizes the efficiency of the refunding while maintaining compliance with federal tax law. Specific emphasis will be placed on proposals that provide a structure that simplifies NIFA's overall debt structure.
- B. Work cooperatively and effectively with other members of the financing team in order to structure and market the refunding bonds on a retail and institutional basis at the best all-in cost to NIFA. Identify strategies which might be utilized to enhance the refunding or maximize savings.
- C. Assist in development and implementation of a marketing plan for the Refunding Bonds.
- D. Provide the following services in connection with the refunding:
 - i. Assist in the preparation and review of financing, disclosure and offering documentation.
 - ii. Coordinate the preparation, bidding and printing of the preliminary and final official statements to provide disclosure in accordance with the most recent guidelines established by the Securities and Exchange Commission (SEC), the Municipal Securities Rulemaking Board (MSRB), the Government Finance Officers Association (GFOA), and similar bodies or organizations and coordinate the printing of the preliminary and final official statements in a timely and cost-effective manner.
 - iii. Provide periodic updates on market conditions in the weeks leading up to the pricing of the Refunding Bonds. In the days leading up to the pricing, provide daily updates on market conditions and examples of pricing results from multiple comparable transactions, including rates, coupons and spreads.

- iv. Present a post-pricing summary for the transaction, which “pricing book” will provide the following information:
- Preliminary and final pricing scales for the Refunding Bonds, including a rationale for any pricing change resulting from market conditions and price views from each member of the underwriting team;
 - Comparison to the MMD scale and any other market indicators leading up to, during and after pricing;
 - Spread components;
 - Pricing results for comparable sales, including rates, coupons and spreads;
 - Description and characterization of the market leading up to and including day of pricing;
 - Orders and allotments of bonds by firm and by priority of orders, including designations, and distribution of the bonds in the retail and institutional markets.

VII. Proposals

To be considered, Proposals must respond to the questions listed below. Proposals should not exceed fifteen (15) pages in no less than 12 point font, exclusive of exhibits or appendices. Please do not include any marketing information about your firm.

A. Organizational Structure. This section must be addressed by all respondents.

Provide a brief description of your firm and its organizational structure. Please provide a link to where your firm’s most recent financial statements and SEC filings may be viewed electronically.

B. Experience. This section must be addressed by all respondents.

- Describe your firm’s experience since January 1, 2012 with sales tax or other similar financings. Provide three references involved in comparable financings with names and phone numbers.
- Provide a description of your firm’s recent experience (since January, 2012) in the New York market.
- Please identify the key personnel who will be assigned to NIFA and what role each will play in allowing the firm to meet successfully the scope of services. List each individual’s experience in structuring similar financings. Include (as an attachment to the proposal) each individual’s resume.
- Discuss the key issues that NIFA may face in connection with the contemplated refunding. Explain the reasons your firm is well suited to handle these issues.

- Describe your firm's commitment to public finance. How does your firm commit capital to public finance activities? How much capital is committed to the municipal area? How might the absolute level of capital and procedures that you use to allocate it affect your performance on NIFA's Refunding Bonds?
- Is your firm, or any of the professionals in your firm that would be assigned to NIFA, now, or in the past three years been, the subject of any investigative proceedings by any governmental agency related to your public finance activities? If so, please describe the circumstances and provide assurance to the Authority that these investigations or proceedings will not affect your ability to complete the proposed transaction. Please summarize any reporting that your firm has made to the SEC over the past three years in connection with your public finance activities. To confirm compliance with filing requirements, please include as an attachment a copy of the most recent G-37 filed by your firm with the MSRB.
- Has your firm ever been removed from an account prior to the expiration of its contract? If so, please explain the circumstances.
- Please disclose any conflicts of interest or potential conflicts of interest that may arise as a result of your firm's being hired for this engagement.
- Firms must execute the attached certifications and affidavits, as required.

C. Refunding Structure. This section to be addressed by firms wishing to be considered for senior manager; firms wishing to be considered solely for the co-manager position need not respond to this section.

- Provide specific structuring scenarios and quantitative analyses to explain the benefits of your structuring proposal(s) from the perspective of (i) maximizing the present value savings, and the proposed refunding escrow structure and (ii) broadening marketing, particularly retail sales. Alternative options may be presented. Discuss the relative merit of proceeding with a refunding in the near terms vs. waiting until closer to the call date of potential refunding candidate bonds. As part of the refunding scenario(s), include the saving metrics that you would recommend the Authority use to identify refunding candidates. There should be no extension of the debt beyond its current maturity and NIFA prefers to have savings in each year. DEBT SERVICE SCHEDULES MAY BE SHOWN IN AN APPENDIX AND WILL NOT COUNT AGAINST THE PAGE LIMIT.
- Provide the price discovery process you will use prior to the bond sale and comment on how you evaluate the efficiency of the pricing after the sale. Supporting materials may be provided in an appendix and will not count against the page limit.
- Describe your preferred marketing plan, discuss how you would achieve a retail sales component, and outline your recommended pre-sale marketing approach for the Refunding Bonds.
- Describe the method/process by which you would price the Refunding Bonds, including how the Refunding Bonds would be priced against other recent highly rated refunding bond issues.

- Detail any issues, such as tax, policy or program issues, which could arise in structuring the refunding. Briefly discuss how your refunding analysis has incorporated any such issues or steps NIFA might take to benefit from or mitigate them.

D. Fees (including expenses). **This section to be addressed by firms wishing to be considered for senior manager; firms wishing to be considered solely for the co-manager position need not respond to this section.**

- Please provide a complete schedule of fees and expenses for the proposed Refunding Bonds. If your firm provides a range, the highest figure will be used. All costs and fees must have a cap.
- Provide the names of three firms you would recommend as underwriters' counsel, the name of the lead attorney for this financing and the maximum fees, including expenses, the law firm would charge.

VIII. Competitive Selection; Evaluation Criteria and Process

The award will be made on the basis of the best value (the proposal which optimizes quality, cost and efficiency) to the most responsive and responsible proposer as determined in the evaluation process. The contract will not necessarily be awarded solely on the basis of lowest cost. Instead, the award will be made to the respondent whose proposal receives the highest overall evaluation based on the following criteria:

25% Capability of offeror to provide banking, underwriting and distribution expertise

20% Experience of professionals to be assigned to the engagement

25% Proposed Refunding Bond structure and marketing plan

30% Fees for services (senior managers only) {There will not be any additional negotiation on this point regardless of unexpected complexity or contingencies, so be sure that you give a firm and final offer. }

The Authority may interview finalists for senior manager after it has reviewed all responses. Co-managers will be selected from the proposals.

NIFA shall not be liable for any expenses incurred by the offerors in the preparation and presentation of the proposals and may terminate the selection process at any time without prior notice. All offers submitted pursuant to this SFO will become property of NIFA. NIFA will not pay any fees or expenses to the firm(s) selected in the event that any anticipated financing is not completed. NIFA reserves the right to waive any informality in any offer. NIFA reserves the right to negotiate all fees and expenses.

The Authority's selection of the successful Proposer(s) shall not be binding until it has been approved by the Directors of the Authority. In addition, any contracts issued pursuant to this

RFP, to the extent required, shall not be valid, effective or binding until approved by the New York Office of State Comptroller and filed in his office, in accordance with Section 112 of the New York State Finance Law. No payment for services rendered can be made under the contract until such approval is obtained.

Contractor Requirements and Procedures For Business Participation Opportunities For New York State Certified Minority- And Women-Owned Business Enterprises and Equal Employment Opportunities For Minority Group Members and Women

NEW YORK STATE LAW

Pursuant to New York State Executive Law Article 15-A and 5 NYCRR 140-145 the Authority recognizes its obligation under the law to promote opportunities for maximum feasible participation of certified minority-and women-owned business enterprises and the employment of minority group members and women in the performance of the Authority's contracts.

In 2006, the State of New York commissioned a disparity study to evaluate whether minority and women-owned business enterprises had a full and fair opportunity to participate in state contracting. The findings of the study were published on April 29, 2010, under the title "The State of Minority and Women-Owned Business Enterprises: Evidence from New York" ("Disparity Study"). The report found evidence of statistically significant disparities between the level of participation of minority-and women-owned business enterprises in state procurement contracting versus the number of minority-and women-owned business enterprises that were ready, willing and able to participate in state procurements. As a result of these findings, the Disparity Study made recommendations concerning the implementation and operation of the statewide certified minority- and women-owned business enterprises program. The recommendations from the Disparity Study culminated in the enactment and the implementation of New York State Executive Law Article 15-A, which requires, among other things, that the

Authority establishes goals for maximum feasible participation of New York State Certified minority- and women – owned business enterprises (“MWBE”) and the employment of minority groups members and women in the performance of New York State contracts.

Business Participation Opportunities for MWBEs

For purposes of this solicitation, the Authority hereby establishes an overall goal of 30% for MWBE participation, comprised of certified minority-owned business enterprises (“MBE”) participation and/or New York State certified women-owned business enterprises (“WBE”) participation (based on the current availability of qualified MBEs and WBEs). A contractor (“Contractor”) on the subject contract (“Contract”) must document its good faith efforts to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of the Contract and the Contractor agrees that the Authority may withhold payment pending receipt of the required MWBE documentation. The directory of MWBEs can be viewed at: <https://ny.newnycontracts.com>. For guidance on how the Authority will determine a Contractor’s “good faith efforts,” refer to 5 NYCRR §142.8.

In accordance with 5 NYCRR §142.13, the Contractor acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, such finding constitutes a breach of Contract and the Authority may withhold payment from the Contractor as liquidated damages.

Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBEs for work performed or materials supplied under the Contract.

By submitting a bid or proposal, a bidder on the Contract (“Bidder”) agrees to demonstrate its good faith efforts to achieve its goals for the utilization of MWBEs by submitting evidence thereof through the New York State Contract System (“NYSCS”), which can be viewed at <https://ny.newnycontracts.com>, provided, however, that a Bidder may arrange to provide such evidence via a non-electronic method by contacting the Authority. Please note that the NYSCS is a one stop solution for all of your MWBE and Article 15-A contract requirements. For additional information on the use of the NYSCS to meet Bidder’s MWBE requirements please see Appendix V.

Additionally, a Bidder will be required to submit the following documents and information as evidence of compliance with the foregoing:

- A. An MWBE Utilization Plan with their bid or proposal. Any modifications or changes to the MWBE Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to the Authority. This form is located in Appendix V.

The Authority will review the submitted MWBE Utilization Plan and advise the Bidder of the Authority's acceptance or issue a notice of deficiency within 30 days of receipt.

- B. If a notice of deficiency is issued, the Bidder will be required to respond to the notice of deficiency within seven (7) business days of receipt by submitting to the Nassau County Interim Finance Authority, 170 Old Country Road, Mineola, NY, 11501, phone (516) 248-2828, fax (516) 248-4050 a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by the Authority to be inadequate, the Authority shall notify the Bidder and direct the Bidder to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

The Authority may disqualify a Bidder as being non-responsive under the following circumstances:

- a) If a Bidder fails to submit a MWBE Utilization Plan;
- b) If a Bidder fails to submit a written remedy to a notice of deficiency;
- c) If a Bidder fails to submit a request for waiver; or
- d) If the Authority determines that the Bidder has failed to document good faith efforts.

Where applicable, the Contractor will be required to attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract Award may be made at any time during the term of the Contract to the Authority, but must be made no later than prior to the submission of a request for final payment on the Contract.

Where applicable, the Contractor will be required to submit a Contractor's Quarterly M/WBE Contractor Compliance & Payment Report to the Authority, by the 10th day following each end of quarter over the term of the Contract documenting the progress made toward achievement of the MWBE goals of the Contract.

Equal Employment Opportunity Requirements

By submission of a bid or proposal in response to this solicitation, the Bidder/Contractor agrees with all of the terms and conditions of Appendix III – Standard Clauses for All New York State Contracts including Clause 12 - Equal Employment Opportunities for Minorities and Women. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside New York State.

The Bidder will be required to submit a Minority and Women-Owned Business Enterprises and Equal Employment Opportunity Policy Statement to the Authority with their bid or proposal. This Policy Statement is located in Appendix V.

To ensure compliance with this Section, the Bidder will be required to submit with the bid or proposal an Equal Employment Opportunity Staffing Plan (Appendix V) identifying the anticipated work force to be utilized on the Contract and if awarded a Contract, will, upon request, submit an Equal Employment Opportunity Workforce Employment Utilization Compliance Report identifying the workforce actually utilized on the Contract, if known, through the New York State Contract System; provided, however, that a Bidder may arrange to provide such report via a non-electronic method by contacting the Authority.

Further, pursuant to Article 15 of the Executive Law (the “Human Rights Law”), all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and sub-contractors will not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

Please Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.

XI Disclosure of Proposal Contents/State Finance Law

Information submitted to NIFA, including the information contained in proposals submitted in response to this RFP, may be subject to disclosure under the New York Freedom of Information Law ("FOIL") and other laws. If a vendor is submitting information that it believes is protected from disclosure under FOIL or similar laws, it should clearly identify, at the time of submission, the information at issue and the basis for non-disclosure. If NIFA receives a request for disclosure of the identified information and NIFA determines that the identified information is required by FOIL or any other law to be disclosed, NIFA will use reasonable efforts to notify the vendor prior to disclosing the information in order to enable the vendor to take such action as the vendor deems appropriate. Copies of executed contracts are not exempt from disclosure under FOIL and similar laws.

State Finance Law Sections 139-j and 139-k (collectively, the "Procurement Requirements") apply to this RFP. These Procurement Requirements (1) govern permissible communications between potential respondents and NIFA or other involved governmental entities with respect to this RFP; (2) provide for increased disclosure in the public procurement process through identification of persons or organizations whose function is to influence procurement contracts, public works agreements and real property transactions; and (3) establish sanctions for knowing and willful violations of the provisions of the Procurement Requirements, including disqualification from eligibility for an award of any contract pursuant to this RFP.

Compliance with the Procurement Requirements requires that (x) all communications regarding this RFP, from the time of its issuance through final award and execution of any resulting contract (the "Restricted Period"), be conducted only with the designated contact person listed below; (y) the completion by respondents of the Certification at Appendix IV as part of their proposal; and (z) periodic updating of such forms during the term of any contract resulting from this RFP.

The Procurement Requirements also require NIFA staff to obtain and report certain information when contacted by prospective bidders during the restricted period, make a determination of the responsibility of bidders and make all such information publicly available in accordance with applicable law. If a prospective bidder is found to have knowingly and willfully violated the State Finance Law provisions, that prospective bidder and its subsidiaries, related or successor entities will be determined to be a non-responsible bidder and will not be awarded any contract issued pursuant to this solicitation. In addition, two such findings of non-responsibility within a four-year period can result in debarment from obtaining any New York State governmental procurement contract. For the purpose of compliance with State Finance Law Sections 139-j, contact with Jeremy Wise at NIFA is considered permissible.

STANDARD CLAUSES FOR NEW YORK STATE CONTRACTS

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. **EXECUTORY CLAUSE.** In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. **NON-ASSIGNMENT CLAUSE.** In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. **COMPTROLLER'S APPROVAL.** In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section

163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex (including gender identity or expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristics, marital status or domestic violence victim status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said

records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its

conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "a", "b", and "c" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix, the terms of this Appendix shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in §165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES. In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

- (a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors, including certified minority and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to the State;

- (c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and
- (d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROcity AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 15, 2002, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii. Contact NYS Department of Economic Development for a current list of jurisdictions subject to this provision.

22. COMPLIANCE WITH NEW YORK STATE INFORMATION SECURITY BREACH AND NOTIFICATION ACT. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law Section 899-aa; State Technology Law Section 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4-g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law Section 5-a, if the contractor fails to make the certification required by Tax Law Section 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law §165-a that it is not on the “Entities Determined to be Non-Responsive Bidders/Offerors pursuant to the New York State Iran Divestment Act of 2012” (“Prohibited Entities List”) posted at: <http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.
