

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Nassau County Interim Finance Authority:

We have audited, in accordance with auditing standards generally accepted in the United States of America, the entity-wide financial statements and governmental funds financial statements of the Nassau County Interim Finance Authority (the "Authority"), a component unit of the County of Nassau, as of December 31, 2013, which include the statement of net assets (deficit), the statement of activities for the year then ended, the governmental funds balance sheet and statement of revenues, expenditures and changes in fund balances for the year then ended, and have issued our report thereon dated June 18, 2014.

In connection with our audit, nothing came to our attention that caused us to believe that the Authority failed to comply with the Authority's Investment Guidelines, the New York State ("NYS") Comptroller's Investment Guidelines and Section 2925 of the NYS Public Authorities Law (collectively, the "Investment Guidelines"), which is the responsibility of the Authority's management, insofar as they relate to financial and accounting matters. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the Company's noncompliance with the Investment Guidelines, insofar as they relate to accounting matters.

This report is intended solely for the information and use of the Board of Directors, management, and the Office of the New York State Comptroller and is not intended to be and should not be used by anyone other than these specified parties.
