## **I. Statement of Purpose**

The Nassau County Interim Finance Authority (hereafter referred to as the “Authority” or “NIFA”) is soliciting proposals from firms qualified to do business in New York State (the “State”) to perform an operational audit of the use of outside counsel by the County Attorney’s Office of Nassau County, New York (the “County”). The audit is for the purpose of examining the causes of the County’s increased costs of outside counsel during fiscal years 2023 and 2024 and to recommend management improvements.

## **II. Background**

The Authority is a corporate governmental agency and instrumentality of the State, constituting a public benefit corporation. It is a State authority empowered to monitor and oversee the finances of the County and certain covered organizations, and within certain statutory limits previously had the power to issue bonds and notes for various County purposes. Pursuant to its governing legislation, NIFA may perform such audits and reviews of the County and any agency thereof and any covered organizations as it deems necessary. The Authority will continue in existence until its oversight, control or other responsibilities and its liabilities (including the payment in full of Authority bonds and notes) have been met or discharged.

In its oversight capacity, on January 26, 2011 the Authority imposed a control period over the County (with certain exemptions for statutory covered organizations) and is currently empowered to, among other things, approve certain County contracts, financial plans and proposed borrowings. On February 4, 2020, to the extent that the Nassau Health Care Corporation (“NHCC”) had previously been exempted by NIFA from its statutorily authorized exercise of powers during a control period, NIFA determined that NHCC had become subject to its control powers.

For more information concerning NIFA, see the NIFA website at <https://nifa.ny.gov/>.

## **III. Scope of Audit**

The scope of work to be furnished by the selected vendor pursuant to this RFP is to perform the services, provide the deliverables and meet the requirements listed below and discussed in detail in the following sections.

## **IV. Audit Methods and Programs**

The nature and extent of the services to be performed in the audit will be agreed upon between the firm and the Authority. Appropriate techniques must be used to accomplish an effective and efficient audit.

## **V. Proposal Requirements**

Proposals shall be limited to a maximum of ten (10) pages (12-point type), excluding resumes and cost proposal. All submitted proposals will be reviewed for completeness. Failure

to submit a complete proposal can result in disqualification at the discretion of the Authority. The following information must be included with the proposal, in separate parts, as indicated:

**A. Technical**

- The names and resumes, including educational background and professional experience, of staff to be assigned to the audit and an indication of their experience and familiarity with State public authorities and municipalities. Please specify the name of the individual accountable for the project.
- Equal Employment Opportunity reports on the composition of the firm's workforce and of the staff to be assigned to the engagement.
- At least three references. Please include, if possible, at least one from a municipality, public authority or State entity with which individuals to be assigned to the services have worked (and the name and contact information for the primary contact within each entity). By providing this information you are permitting NIFA to contact those entities or individuals. If your firm's work product for a reference is available, please provide the RFP Contact (defined in Section VI of this RFP) with a link to the information.
- Identify and discuss fully the nature of any conflict, actual or potential, your firm or any individual may have in providing services to the Authority.
- List all material investigations or judgments against your firm or its principals for the past five years.
- A proposed schedule, work plan and allocation of hours for the audit, including critical dates, time estimates and project management and supervision structure.

**B. Cost**

- Proposers must submit their respective cost proposals which contain all pricing and staffing information relative to fulfilling the scope of services described in this RFP. The proposal must state the normal governmental rates charged by the firm and the discounted or preferred rate for each title/position expected to perform such services, as well as the estimated number of hours for each position used to calculate the fee.
- Please indicate whether all the rates or fees cited in this section of the RFP are the lowest charged to your firm's municipal clients; and, if not, please explain why.
- Out-of-pocket expenses must be separately categorized and shall only be reimbursed in accordance with the lower of the Authority's standard schedule, if any, or the U.S. General Services Administration's per diem rates applicable to the County. Such expenses will be reviewed for reasonableness on a continuing basis.
- Proposals must include a statement that the price and/or rates quoted are an irrevocable offer for 120 days from the date of submission.

**VI. Administrative Information and Conditions**

All proposals submitted must include a cover letter signed by a member of the proposing firm duly authorized to execute contracts on behalf of the firm. All responses to this RFP should be in writing and sent by email addressed to:

#### **5. Notification of Award and Contract**

All proposers will be notified in writing of the contract award, if any. The successful proposer will be advised by the Authority, which will furnish the contract.

### **VII. Other Conditions and Limitations**

It is the intention of the Authority to fully execute the mandate of Article 15-A of the State Executive Law so as to provide minority and women-owned business enterprises with an equal opportunity to participate in NIFA contracts.

The proposer, by submitting a proposal, acknowledges an understanding of this policy and pledges to cooperate with NIFA in implementing this policy, and further pledges to exert his, her or its best efforts in soliciting and obtaining the participation of minority and women-owned trade persons and subcontractors and suppliers on this contract where possible.

Article 3 of the State Veterans' Services Law provides for more meaningful participation in public procurement by certified service-disabled veteran-owned businesses (“SDVOB’s”), thereby further integrating such businesses into the State’s economy. NIFA recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of NIFA contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in the State, proposers are strongly encouraged and expected to consider SDVOB’s in the fulfillment of the requirements of the contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

Proposers are encouraged to make good faith efforts to promote and assist in the participation of SDVOB’s on the contract for the provision of services and materials. The directory of State-certified SDVOB’s can be viewed at: <https://sdves.ogs.ny.gov/business-search>.

Proposers are encouraged to contact the State Office of General Services' Division of Service-Disabled Veterans' Business Development at 518-474-2015 or [VeteransDevelopment@ogs.ny.gov](mailto:VeteransDevelopment@ogs.ny.gov) to discuss methods of maximizing participation by SDVOB's on the contract.

Proposers may be requested to clarify the contents of their proposal. Other than to provide such information as may be requested by the Authority, no proposer will be allowed to alter its proposal or add any new information after the proposal due date.

The Authority will not be responsible for expenses incurred in connection with the preparation of submission of any proposal.

### **Required Submissions**

Upon submission of a proposal, proposers must fully execute and submit the following certifications or forms:

1. *Non-Collusive Bidding Certification Required by Section 139-d of the State Finance Law* (Appendix I);
2. *Non-Discrimination in Employment in Northern Ireland MacBride Fair Employment Principles* certification (Appendix II);
3. *Certification Pursuant to State Finance Law Section 139* (regarding State law governing permissible communications during the procurement restricted period) (attached in Appendix III);
4. *Diversity Practices Questionnaire for Bidders* (only required for best value procurements of \$250,000 or greater) (attached in Appendix III);
5. *Form A - STAFFING PLAN* (attached in Appendix III); and
6. *Attachment E - M/WBE UTILIZATION PLAN/REPORTS* (attached in Appendix III).

In addition, proposers are urged to review the Standard Clauses for NIFA Contracts (Appendix III) as these will only be modified under the most compelling of circumstances.

Only those proposers who furnish complete information will be considered for evaluation. No partial proposals will be considered. The Authority reserves the right to accept or reject any or all proposals, and request some or all respondents to provide oral presentation of their proposals.

## VIII. Disclosure of Proposal Contents/State Finance Law

Information submitted to NIFA, including the information contained in proposals submitted in response to this RFP, may be subject to disclosure under the State Freedom of Information Law ("FOIL") and other laws. If a vendor is submitting information that it believes is protected from disclosure under FOIL or similar laws, it should clearly identify, at the time of submission, the information at issue and the basis for non-disclosure. If NIFA receives a request for disclosure of the identified information and NIFA determines that the identified information is required by FOIL or any other law to be disclosed, NIFA will use reasonable efforts to notify the vendor prior to disclosing the information to enable the vendor to take such action as the vendor deems appropriate. Copies of executed contracts are not exempt from disclosure under FOIL and similar laws.

State Finance Law Sections 139-j and 139-k (collectively, the "Procurement Requirements") apply to this RFP. These Procurement Requirements (1) govern permissible communications between potential respondents and NIFA or other involved governmental entities with respect to this RFP; (2) provide for increased disclosure in the public procurement process through identification of persons or organizations whose function is to influence procurement contracts, public works agreements and real property transactions; and (3) establish sanctions for knowing and willful violations of the provisions of the Procurement Requirements, including disqualification from eligibility for an award of any contract pursuant to this RFP.

Compliance with the Procurement Requirements requires that (x) all communications regarding this RFP, from the time of its issuance through final award and execution of any resulting contract (the "Restricted Period"), be conducted only with the designated contact person listed below; (y) the completion by respondents of the *Certification Pursuant to State Finance Law Section 139* (see Required Submissions in Section VII of this RFP) as part of their proposal; and (z) periodic updating of such forms during the term of any contract resulting from this RFP.

The Procurement Requirements also require NIFA staff to obtain and report certain information when contacted by prospective bidders during the Restricted Period, make a determination of the responsibility of bidders and make all such information publicly available in accordance with applicable law. NIFA staff shall review and investigate allegations of impermissible contact during a procurement. If a prospective bidder is found to have knowingly and willfully violated the State Finance Law provisions, that prospective bidder and its subsidiaries, related or successor entities will be determined to be a non-responsible bidder and will not be awarded any contract issued pursuant to this solicitation. In addition, two such findings of non-responsibility within a four-year period can result in debarment from obtaining any State governmental procurement contract. For the purpose of compliance with State Finance Law Section 139-j, contacts with John Chiara at NIFA are considered permissible.

### **APPENDIX III**

*Proposers are urged to review the Standard Clauses for NIFA Contracts in this Appendix III as these will only be modified under the most compelling of circumstances.*

#### **SCHEDULE A**

##### **STANDARD CLAUSES FOR NIFA CONTRACTS**

For the purposes of this Schedule A, the Nassau County Interim Finance Authority is hereinafter referred to as "NIFA."

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, the "contract" or this "contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" or "Consultant" herein refers to any party other than NIFA, whether a contractor, consultant, licensor, licensee, lessor, lessee or other party).

**SUPERVISION BY NIFA.** The services to be performed by Consultant under this contract shall be subject to the general supervision and direction of NIFA provided that neither NIFA's exercise nor failure to exercise such supervision and direction shall relieve the Consultant of any of its obligations or responsibilities for its acts or failure to act pursuant to this contract.

**CONSULTANT'S PERSONNEL.** The Consultant shall designate in writing to NIFA one individual, satisfactory to NIFA, who shall be responsible for coordinating all of the services to be rendered by the Consultant and who shall be NIFA's normal point of contact with the Consultant on matters relating to such services. Such individual shall be replaced upon NIFA's written request.

**APPROVAL OF SUBCONSULTANTS.** The Consultant shall not employ, contract with or use the services of any consultant, special contractors, or other third parties (collectively "Subconsultant") in connection with the performance of its obligations under this contract without the prior written consent of NIFA. The Consultant shall inform NIFA in writing of the name, proposed service to be rendered, and compensation of the Subconsultant, and of any interest it may have in the proposed Subconsultant.

**CONSULTANT AS INDEPENDENT CONTRACTOR.** Notwithstanding any other provisions of this contract, the Consultant's status (and that of any Subconsultant) shall be that of an independent contractor and not that of an agent or employee of NIFA. Accordingly, neither the Consultant nor any Subconsultant shall hold itself out as, or claim to be acting in the capacity of an employee, or agent of NIFA.

**CONFLICT-OF-INTEREST.** The Consultant represents that:

(a) The Consultant has not now, and will not acquire, any interest, direct or indirect, present or prospective, in the project to which the Consultant's work relates or the real estate which is the subject of the contract, or in the immediate vicinity thereof and has not employed and will not knowingly employ in connection with work to be performed hereunder, any person or entity having any such interest during the term of this contract.

(b) No officer, employee, agent or director of NIFA, or any of its subsidiaries shall be admitted to any share or part hereof or to any benefit to arise here from.

(c) No officer, employee, agent or director of NIFA, or any of its subsidiaries shall participate in any decision relating to this contract which affects his personal interest or the interests of any corporation, partnership, or association in which he is directly or indirectly interested; nor shall any officer, agent, director or employee of NIFA, or any of its subsidiaries have any interest, direct or indirect, in this contract or the proceedings thereof.

**CONSULTANT TO COMPLY WITH LEGAL REQUIREMENTS.** The Consultant in performing its obligations and in preparing all documents required under this contract shall comply with all material applicable laws and regulations. All provisions required by such laws and regulations to be included in this contract shall be deemed to be included in this contract with the same effect as if set forth in full.

**NO ASSIGNMENT WITHOUT CONSENT.** The Consultant agrees that:

(a) It is prohibited from assigning, transferring or otherwise disposing of this contract, or of its rights or interests therein, or its power to execute such agreement to any person, company, partnership, or corporation, without the previous written consent of NIFA;

(b) If the prohibition of this Section be violated, NIFA may revoke and annul this contract and NIFA shall be relieved from any and all liability and obligations hereunder to the Consultant and to the person, company, partnership or corporation to whom such assignment, transfer or other disposal shall have been made and the Consultant and such assignee or transferee shall forfeit and lose all the money theretofore earned under this contract.

**ENTIRE AGREEMENT/AMENDMENT.** This contract constitutes the entire agreement between the parties hereto and no statement, promise, condition, understanding, inducement, or representation, oral or written, expressed or implied, which is not contained herein shall be binding or valid and this contract shall not be changed, modified or altered in any manner except by an instrument in writing executed by the parties hereto.

**CONFIDENTIALITY.** Consultant hereby agrees that all data, recommendations, reports and other materials developed in the course of this study are strictly confidential between Consultant and NIFA and Consultant may not at any time reveal or disclose such data, recommendations or reports in whole or in part to any third party without first obtaining permission from NIFA, other than as required by law. Notwithstanding the preceding sentence, Consultant shall cooperate fully with such third parties as NIFA may designate by written request. Such cooperation shall include making available to such parties, data, information and reports used or developed by Consultant in connection with this study.

**INDEMNIFICATION.** Notwithstanding anything to the contrary contained herein, Consultant shall be responsible for all injuries to persons, including death, or damage to property sustained while performing or resulting from the work under this contract, if and to the extent the same results from any act, omission, negligence, fault or default of Consultant or Subconsultants, or their employees, agents, servants, independent contractors or subcontractors retained by Consultant pursuant to this contract. Consultant agrees to defend, indemnify and hold the indemnities (the State of New York (the "State") and NIFA)

harmless from any and all claims, judgments and liabilities, including but not limited to, claims, judgments and liabilities for injuries to persons (including death) and damage to property, if and to the extent the same results from any act, omission, negligence, fault or default of Consultant or its Subconsultants, or their agents, employees, servants, independent contractors and subcontractors and from any claims against, or liability incurred by the indemnittees by reason of claims against Consultant or its Subconsultants, or their employees, agents, servants, independent contractors and subcontracts for any matter whatsoever in connection with the services performed under this contract, including, but not limited to, claims for compensation, injury or death, and agree to reimburse the indemnittees for reasonable attorneys' fees incurred in connection with the above. Consultant shall be solely responsible for the safety and protection of all its Subconsultants, or the employees, agents, servants, independent contractors, or subcontractors of Consultant or its Subconsultants, and shall assume all liability for injuries, including death, that may occur to said persons due to the negligence, fault or default of Consultant, its Subconsultants, or their respective agents, employees, servants, independent contractors or subcontractors.

This indemnification provision shall survive the expiration or earlier termination of this contract.

**WORKER'S COMPENSATION BENEFITS.** In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless Contractor provides and maintains coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the State Workers' Compensation Law.

**NON-DISCRIMINATION REQUIREMENTS.** To the extent required by Article 15 of the State Executive Law (also known as the Human Rights Law) and all other State and federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation..

**WAGE AND HOURS PROVISIONS.** If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law and shall comply with all requirements set forth in Article 8 or Article 9 of the Labor Law whichever Article applies. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment of any approved sums due and owing for work done upon the project.

**NON-COLLUSIVE BIDDING CERTIFICATION.** In accordance with Section 2878 of the State Public Authorities Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under the penalties of perjury:

By submission of this bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of his knowledge and belief:

(1) The prices in this bid have been arrived at independently without collusion, consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other bidder or with any competitor;

(2) Unless otherwise required by law, the prices which have been quoted in this bid have not been knowingly disclosed by the bidder and will not knowingly be disclosed by the bidder prior to opening, directly or indirectly, to any other bidder or to any competitor; and

(3) No attempt has been made or will be made by the bidder to induce any other person, partnership or corporation to submit or not to submit a bid for the purpose of restricting competition.

Contractor further warrants that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to NIFA a non-collusive bidding certification on Contractor's behalf.

**INTERNATIONAL BOYCOTT PROHIBITION.** In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, Contractor agrees, as a material condition of the contract, that neither Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC app. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. Contractor shall so notify NIFA and the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

**SET-OFF RIGHTS.** NIFA shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, NIFA's option to withhold for the purposes of set-off any moneys due to Contractor under this contract up to any amounts due and owing to NIFA with regard to this contract, any other contract with NIFA, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to NIFA for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. NIFA shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by NIFA, its representatives, or the State Comptroller.

**RECORDS.** Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records must be kept for six (6) years following the expiration or earlier termination of the contract. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. NIFA shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) Contractor shall timely inform NIFA in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, NIFA's right to discovery in any pending or future litigation.

**DISCLOSURE OF NIFA RECORDS OR INFORMATION.** If any third party requests that Contractor disclose NIFA records or information, as defined in subdivision 4 of section 86 of the Public Officers Law, Contractor shall notify NIFA of such request and NIFA shall determine, in accordance with Section 2853 to the Public Authorities Law or other applicable law, whether such NIFA records or information may be disclosed.

**CONFLICTING TERMS.** In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Schedule A, the terms of this Schedule A shall control.

**GOVERNING LAW.** This contract shall be governed by the laws of the State of New York except where the federal supremacy clause requires otherwise.

Service by NIFA to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

**PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS.** Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of State Finance Law §165 (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of Contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in §165 State Finance Law. Any such use must meet with the approval of NIFA; otherwise, the bid may not be considered responsive. - (b) Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92–261), as amended;
- (c) Contractor agrees to make commercially reasonable efforts to provide notification to New York State residents of employment opportunities on this contract through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. Contractor agrees to document these efforts and to provide said documentation to NIFA upon request; and
- (d) Contractor acknowledges that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

**RECIPROCITY AND SANCTIONS PROVISIONS.** Contractor is hereby notified that if its principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services it offers will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5)) require that Contractor be denied contracts which it would otherwise obtain. NOTE: As of May 2023, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii. Contact the NYS Department of Economic Development for a current list of jurisdictions subject to this provision.

**PROCUREMENT LOBBYING.** To the extent this agreement is a “procurement contract” as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the Contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, NIFA may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement. See Attachment A hereto.

**CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.** To the extent this agreement is a contract as defined by Tax Law § 5-a, if the Contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the State Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in

accordance with the terms of the contract, if the covered agency determines that such action is in the best interest of the State.

**IRAN DIVESTMENT ACT.** In accordance with State Public Authorities Law § 2879-c, by signing this contract, each person and each person signing on behalf of any other party certifies, and in the case of a joint bid or partnership each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each person is not on the list created pursuant to paragraph (b) of subdivision 3 of Section 165-a of the State Finance Law. See “Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012” (“Prohibited Entities List”) posted at: <https://ogs.ny.gov/iran-divestment-act-2012>.

NIFA reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

**CONTINGENT FEES.** Contractor hereby certifies and agrees that (a) Contractor has not employed or retained and will not employ or retain any individual or entity for the purpose of soliciting or securing any NIFA contract or any amendment or modification thereto pursuant to any agreement or understanding for receipt of any form of compensation which in whole or in part is contingent or dependent upon the award of any such contract or any amendment or modification thereto; and (b) Contractor will not seek or be paid an additional fee that is contingent or dependent upon the completion of a transaction by NIFA.

**COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS.** Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law §§ 899-aa and 899-bb; State Technology Law § 208). **ADMISSIBILITY OF REPRODUCTION OF CONTRACT.** Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, regardless of whether the original of said contract is in existence.

**PARTICIPATION BY MINORITY GROUP MEMBERS AND WOMEN WITH RESPECT TO NIFA CONTRACTS: REQUIREMENTS AND PROCEDURES.**

**I. General Provisions**

- A. NIFA is required to implement the provisions of New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations (“NYCRR”) for all State contracts, as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.

- B. The contractor to the subject contract (the “Contractor” and the “Contract,” respectively) agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to NIFA, to fully comply and cooperate with NIFA in the implementation of New York State Executive Law Article 15-A and the regulations promulgated thereunder. These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for New York State certified minority and women-owned business enterprises (“MWBEs”). The Contractor’s demonstration of “good faith efforts” pursuant to 5 NYCRR § 142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the “Human Rights Law”) and other applicable federal, state, and local laws.
- C. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, non-responsibility and/or a breach of contract, leading to the assessment of liquidated damages pursuant to Section VII of this clause and such other remedies as are available to NIFA pursuant to the Contract and applicable law.

**II. Contract Goals**

- A. For purposes of this Contract, NIFA hereby establishes an overall goal of 30 percent for MWBE participation, in any percentage between New York State certified minority-owned business enterprises (“MBE”) participation and New York State certified women-owned business enterprises (“WBE”) participation (collectively, “MWBE Contract Goals”) based on the current availability of MBEs and WBEs.
- B. For purposes of providing meaningful participation by MWBEs on the Contract and achieving the MWBE Contract Goals established in Section II.A hereof, the Contractor should reference the directory of MWBEs at the following internet address: <https://ny.newnycontracts.com>.

Additionally, the Contractor is encouraged to contact the Division of Minority and Women’s Business Development at (212) 803-2414 to discuss additional methods of maximizing participation by MWBEs on the Contract.

- C. The Contractor understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. The portion of a contract with an MWBE serving as a supplier that shall be deemed to represent the commercially useful function performed by the MWBE shall be 60% of the total value of the contract. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be the monetary value for fees, or the markup percentage, charged by the MWBE.
- D. The Contractor must document “good faith efforts,” pursuant to 5 NYCRR § 142.8, to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. Such documentation shall include, but not necessarily be limited to:
  - 1. Evidence of outreach to MWBEs;
  - 2. Any responses by MWBEs to the Contractor’s outreach;

3. Copies of advertisements for participation by MWBEs in appropriate general circulation, trade, and minority or women-oriented publications;
4. The dates of attendance at any pre-bid, pre-award, or other meetings, if any, scheduled by NIFA with MWBEs; and
5. Information describing specific steps undertaken by the Contractor to reasonably structure the Contract scope of work to maximize opportunities for MWBE participation.

### **III. Equal Employment Opportunities for Minorities and Women**

A. The provisions of Article 15-A of the State Executive Law and the rules and regulations promulgated thereunder pertaining to equal employment opportunities for minority group members and women shall apply to the Contract.

B. In performing the Contract, the Contractor shall:

1. Ensure that each contractor and subcontractor performing work on the Contract shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.
2. The Contractor shall submit an EEO policy statement to NIFA within seventy-two (72) hours after the date of the notice by NIFA to award the Contract to the Contractor.
3. If the Contractor, or any of its subcontractors, does not have an existing EEO policy statement, NIFA may require the Contractor or subcontractor to adopt a model statement (see Attachment C hereto, M/WBE and EEO Policy Statement).
4. The Contractor's EEO policy statement shall include the following language:
  - (a) The Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability, or marital status, will undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force. For these purposes, EEO shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.
  - (b) The Contractor shall state, in all solicitations or advertisements for employees that, in the performance of the contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

- (c) The Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.
- (d) The Contractor will include the provisions of Subdivisions (a) through (c) of this Subsection 4 (except as provided in State Executive Law § 312(6)) and Paragraph E of this Section III of this clause, which provides for relevant provisions of the Human Rights Law, in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with the Contract.
- (e) NIFA shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of State Executive Law § 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

#### C. Staffing Plan

To ensure compliance with this Section, the Contractor shall submit a staffing plan (Form A) to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and federal occupational categories. The Contractor shall complete the staffing plan form and submit it as part of its bid or proposal or within a reasonable time, but no later than the time of award of the contract.

#### D. Workforce Utilization Report

1. The Contractor shall submit a Workforce Utilization Report (see Attachment E hereto), and shall require each of its subcontractors to submit a Workforce Utilization Report, in such form as shall be required by NIFA on a quarterly basis during the term of the Contract.
  2. Separate forms shall be completed by the Contractor and any subcontractors.
  3. Pursuant to New York State Executive Order #162, contractors and subcontractors are also required to report the gross wages paid to each of their employees for the work performed by such employees on the contract on a quarterly basis. Contact NIFA for additional information.
- E. The Contractor shall comply with the provisions of the Human Rights Law, and all other State and Federal statutory and constitutional non-discrimination provisions. The Contractor and its subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability,

predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

**IV. MWBE Utilization Plan**

- A. The Contractor represents and warrants that the Contractor has submitted an MWBE Utilization Plan (see Attachment E hereto), or shall submit an MWBE Utilization Plan at such time as shall be required by NIFA, through the New York State Contract System (“NYSCS”), which can be viewed at <https://ny.newnycontracts.com>, provided, however, that the Contractor may arrange to provide such evidence via a non-electronic method to NIFA, either prior to, or at the time of, the execution of the contract.
- B. The Contractor agrees to adhere to such MWBE Utilization Plan in the performance of the Contract.
- C. The Contractor further agrees that a failure to submit and/or use such MWBE Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, NIFA shall be entitled to any remedy provided herein, including but not limited to, a finding that the Contractor is non-responsive.

**V. Waivers**

- A. If the Contractor, after making good faith efforts, is unable to achieve the MWBE Contract Goals stated herein, the Contractor may submit a request for a waiver through the NYSCS, or a non-electronic method provided by NIFA. Such waiver request must be supported by evidence of the Contractor’s good faith efforts to achieve the maximum feasible MWBE participation towards the applicable MWBE Contract Goals. If the documentation included with the waiver request is complete, NIFA shall evaluate the request and issue a written notice of approval or denial within twenty (20) business days of receipt.
- B. If NIFA, upon review of the MWBE Utilization Plan, updated Quarterly MWBE Contractor Compliance Reports described in Section VI of this clause, or any other relevant information, determines that the Contractor is failing or refusing to comply with the MWBE Contract Goals, and no waiver has been issued in regards to such non-compliance, NIFA may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE Contract Goals.

**VI. Quarterly MWBE Contractor Compliance Report**

The Contractor is required to submit a quarterly MWBE Contractor Compliance Report (see Attachment D hereto) through the NYSCS, provided, however, that the Contractor may arrange to provide such report via a non-electronic method to NIFA by the 10th day following the end of each quarter during the term of the Contract documenting the progress made towards achievement of the MWBE goals of the Contract.

**VII. Liquidated Damages - MWBE Participation**

- A. Where NIFA determines that the Contractor is not in compliance with the requirements of this clause and the Contractor refuses to comply with such requirements, or if the Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals, the Contractor shall be obligated to pay to NIFA liquidated damages.
- B. Such liquidated damages shall be calculated as an amount equaling the difference between:
1. All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and
  2. All sums actually paid to MWBEs for work performed or materials supplied under the Contract.
- C. In the event a determination has been made which requires the payment of liquidated damages and such identified sums have not been withheld by NIFA, the Contractor shall pay such liquidated damages to NIFA within sixty (60) days after they are assessed. Provided, however, that if the Contractor has filed a complaint with the Director of the Division of Minority and Women's Business Development pursuant to 5 NYCRR § 142.12, liquidated damages shall be payable only in the event of a determination adverse to the Contractor following the complaint process.

**PARTICIPATION BY SERVICE-DISABLED VETERAN-OWNED BUSINESSES WITH RESPECT TO STATE CONTRACTS.** Article 3 of the New York State Veterans' Services Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses ("SDVOB"), thereby further integrating such businesses into New York State's economy. NIFA recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of NIFA's contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Contractors are expected to consider SDVOBs in the fulfillment of the requirements of the contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

### **I. Contract Goals**

A. NIFA hereby establishes an overall goal of 6 percent for SDVOB participation, based on the current availability of qualified SDVOBs. For purposes of providing meaningful participation by SDVOBs, the Contractor should reference the directory of New York State Certified SDVOBs found at: <https://ogs.ny.gov/veterans/>. Questions regarding compliance with SDVOB participation goals should be directed to the NIFA designated contact for the contract. Additionally, following contract execution, the Contractor is encouraged to contact the Office of General Services' Division of Service-Disabled Veterans' Business Development at 518-474-2015 or [VeteransDevelopment@ogs.ny.gov](mailto:VeteransDevelopment@ogs.ny.gov) to discuss additional methods of maximizing participation by SDVOBs on the contract.

B. The Contractor must document "good faith efforts" to provide meaningful participation by SDVOBs as subcontractors or suppliers in the performance of the contract (see Section IV of this clause below).

## **II. SDVOB Utilization Plan**

A. In accordance with 9 NYCRR § 252.2(i), Contractors are required to submit a completed SDVOB Utilization Plan on Form SDVOB 100 with their bid.

B. The Utilization Plan shall list the SDVOBs that the Contractor intends to use to perform the contract, a description of the work that the Contractor intends the SDVOB to perform to meet the goals on the contract, the estimated dollar amounts to be paid to an SDVOB, or, if not known, an estimate of the percentage of contract work the SDVOB will perform. By signing the Utilization Plan, the Contractor acknowledges that making false representations or providing information that shows a lack of good faith as part of, or in conjunction with, the submission of a Utilization Plan is prohibited by law and may result in penalties including, but not limited to, termination of a contract for cause, loss of eligibility to submit future bids, and/or withholding of payments. Any modifications or changes to the agreed participation by SDVOBs after the contract award and during the term of the contract must be reported on a revised SDVOB Utilization Plan and submitted to NIFA.

C. NIFA will review the submitted SDVOB Utilization Plan and advise the Contractor of NIFA's acceptance or issue a notice of deficiency within 20 days of receipt.

D. If a notice of deficiency is issued, the Contractor agrees that it shall respond to the notice of deficiency, within seven business days of receipt, by submitting to NIFA a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by NIFA to be inadequate, NIFA shall notify the Contractor and direct the Contractor to submit, within five business days of notification by NIFA, a request for a partial or total waiver of SDVOB participation goals on SDVOB 200. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

E. NIFA may disqualify a Contractor's bid or proposal as being non-responsive under the following circumstances:

- (a) If a Contractor fails to submit an SDVOB Utilization Plan;
- (b) If a Contractor fails to submit a written remedy to a notice of deficiency;
- (c) If a Contractor fails to submit a request for waiver; or
- (d) If NIFA determines that the Contractor has failed to document good faith efforts.

F. If awarded a contract, the Contractor certifies that it will follow the submitted SDVOB Utilization Plan for the performance of SDVOBs on the contract pursuant to the prescribed SDVOB contract goals set forth above.

G. The Contractor further agrees that a failure to use SDVOBs as agreed in the Utilization Plan shall constitute a material breach of the terms of the contract. Upon the occurrence of such a material breach, NIFA shall be entitled to any remedy provided herein, including but not limited to, a finding of Contractor non-responsibility.

## **III. Request for Waiver**

A. Prior to submission of a request for a partial or total waiver, the Contractor shall speak to the designated contacts at NIFA for guidance.

B. In accordance with 9 NYCRR § 252.2(m), a Contractor that is able to document good faith efforts to meet the goal requirements, as set forth in Section IV if this clause below, may submit a request for a partial or total waiver on Form SDVOB 200, accompanied by supporting documentation. A Contractor may submit the request for waiver at the same time it submits its SDVOB Utilization Plan. If a request for waiver is submitted with the SDVOB Utilization Plan and is not accepted by NIFA at that time, the provisions of Sections II (C), (D) & (E) of this clause will apply. If the documentation included with the Contractor's waiver request is complete, NIFA shall evaluate the request and issue a written notice of acceptance or denial within 20 days of receipt.

C. The Contractor shall attempt to utilize, in good faith, the SDVOBs identified within its SDVOB Utilization Plan, during the performance of the contract. Requests for a partial or total waiver of established goal requirements made subsequent to contract award may be made at any time during the term of the contract to NIFA, but must be made no later than prior to the submission of a request for final payment on the contract.

D. If NIFA, upon review of the SDVOB Utilization Plan and Monthly SDVOB Compliance Report (SDVOB 101) determines that Contractor is failing or refusing to comply with the contract goals and no waiver has been issued in regards to such non-compliance, NIFA may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven business days of receipt. Such response may include a request for partial or total waiver of SDVOB contract goals.

Waiver requests should be sent to NIFA.

#### **IV. Required Good Faith Efforts**

In accordance with 9 NYCRR § 252.2(n), Contractors must document its good faith efforts toward utilizing SDVOBs on the contract. Evidence of required good faith efforts shall include, but not be limited to, the following:

- (1) Copies of solicitations to SDVOBs and any responses thereto.
- (2) Explanation of the specific reasons each SDVOB that responded to Contractors' solicitation was not selected.
- (3) Dates of any pre-bid, pre-award or other meetings attended by Contractor, if any, scheduled by NIFA with certified SDVOBs whom NIFA determined were capable of fulfilling the SDVOB goals set in the contract.
- (4) Information describing the specific steps undertaken to reasonably structure the contract scope of work for the purpose of subcontracting with, or obtaining supplies from, certified SDVOBs.
- (5) Other information deemed relevant to the waiver request.

## **V. Monthly SDVOB Contractor Compliance Report**

In accordance with 9 NYCRR § 252.2(q), the Contractor is required to report Monthly SDVOB Contractor Compliance to NIFA during the term of the contract for the preceding month's activity, documenting progress made towards achieving the contract's SDVOB goals. This information must be submitted using form SDVOB 101 and should be completed by the Contractor and submitted to NIFA, by the 10th day of each month during the term of the contract, for the preceding month's activity.

## **VI. Breach of Contract and Damages**

In accordance with 9 NYCRR § 252.2(s), any Contractor found to have willfully and intentionally failed to comply with the SDVOB participation goals set forth in the Agreement, shall be found to have breached the contract and Contractor shall pay damages as set forth therein.

ALL SDVOB FORMS ARE AVAILABLE AT: <https://ogs.ny.gov/veterans/division-service-disabled-veterans-business-development-compliance-and-reporting>.

### Your MWBE Utilization and Reporting Responsibilities

#### Under Article 15-A

As a vendor conducting business with New York State, you have a responsibility to utilize minority- and/or women-owned businesses in the execution of your contracts, per the MWBE percentage goals stated in your incentive proposal or contract documents.

The New York State Contract System ("NYSCS") is the tool that New York State uses to monitor MWBE participation in state contracting. Through the NYSCS you will submit utilization plans, request subcontractors, record payments to subcontractors, and communicate with your project manager throughout the life of your awarded contracts.

There are several reference materials available to assist you in this process. Once you log onto the website, click on the **Help & Support** >> link on the lower left hand corner of the Menu Bar to find recorded trainings and manuals on all features of the NYSCS. You may also click on the

icon at the top right of your screen to find videos tailored to primes and subcontractors. There are also opportunities available to join live trainings, read up on the Knowledge Base through the Forum link, and submit feedback to help improve future enhancements to the system.

Technical assistance is always available through the **Contact Us & Support** link on the NYSCS website (<https://ny.newnycontracts.com>).

For more information, contact your project manager.

**MWBE PARTICIPATION**

This organization will and will cause its contractors and subcontractors to take good faith actions to achieve the M/WBE contract participations goals set by the State for that area in which the State-funded project is located, by taking the following steps:

- (1) Actively and affirmatively solicit bids for contracts and subcontracts from qualified State certified MBEs or WBEs, including solicitations to M/WBE contractor associations.
- (2) Request a list of State-certified M/WBEs from the New York State Contract System (<https://ny.newnycontracts.com/>) and solicit bids from them directly.
- (3) Ensure that plans, specifications, request for proposals and other documents used to secure bids will be made available in sufficient time for review by prospective M/WBEs.
- (4) Where feasible, divide the work into smaller portions to enhanced participations by M/WBEs and encourage the formation of joint venture and other partnerships among M/WBE contractors to enhance their participation.
- (5) Document and maintain records of bid solicitation, including those to M/WBEs and the results thereof. The Contractor will also maintain records of actions that its subcontractors have taken toward meeting M/WBE contract participation goals.
- (6) Ensure that progress payments to M/WBEs are made on a timely basis so that undue financial hardship is avoided, and that bonding and other credit requirements are waived or appropriate alternatives developed to encourage M/WBE participation.
